Animal Services appreciates donations anytime of the year! We use a tremendous amount of supplies to keep our homeless animals fed, healthy, and comfortable! Donating wish list items is a great way to support the staff and the animals of our shelter. Click the icon above for supplies we could use at the shelter each and every day!

hit by a car. Thankfully Officer Stephen Bernal was able to pick up the injured turtle. Now he is safe and sound at a local wildlife facility! Way to go team!

Shelter staff made their first drop off of canned food at the Good Samaritans of Garland and got to meet their special kitty! The drop off ended up being 365 lbs of canned goods! The shelter plans to continue their canned food drive in hopes to help the community with their food needs. Way to go team!

Injured Owl in Garland!

Shelter staff received a call of an injured owl in Garland. Thankfully Officer Padilla was able to care the owl and bring him to safety. Now he is safe and sound at a local wild life facility! We are so thankful for our local wild life facilities that are able to help these animals out!

Meet Shaggy-- the lost standard poodle

Shaggy came into the care of Garland Animal Services as a stray after the storms that took place earlier this month. His coat was so matted that our new medical team had to sedate him in order to shave his fur without harm. We are happy to say that he is out safe and feeling much better. We'd like to thank our rescue partners for helping Shaggy in his time of need!

Reunited and it Feels So Good!

Reasons why we love microchips! Max had been missing for 6 1/2 years when he found his way to Garland Animal Services. We could not be happier to see this family reunited! You can purchase a microchip from us for \$25. Call 972-205-3570 to make your appointment!

Despite COVID-19, we have been incredibly excited about all the adoptions taking place at our shelter. We have not seen the shelter so empty. Thank you to all the adopters who have come out to visit!
